

With your partner, transform the poorly written goals on the left into well-written short or long-term S.M.A.R.T. goals in the space provided to the right.

I want to graduate high school.

I want to make a lot of money on Market Day.

I want to start a business.

I want to sell jewelry on Etsy.

I want to make my family proud.

I want to obtain \$3,000 to buy stuff for my lawn mowing business.

# WHAT DO S.M.A.R.T. GOALS LOOK LIKE?

Place the cards below that represent short-term S.M.A.R.T. Goals.

Place the cards below that represent long-term S.M.A.R.T. Goals.

Place the cards below that are poorly written and don't represent S.M.A.R.T. Goals.

\*Print and cut out the goal example cards below, one set for each pair of students.

\*Place goal example cards in an envelope or small zip-lock bag.

\*Students will identify the well-written goals and place them in the appropriate block on their "What do S.M.A.R.T. goals look like?" sheet.

<p>To obtain five, one-year lease agreements with quality cosmetologists by January 1st of next year.</p>	<p>In 18 months, we will see a 20% increase in demo requests by creating a new product video and case study to serve as key content for potential customers.</p>	<p>My goal is to get a college scholarship while I'm in high school.</p>
<p>With 30 days I will set up to sell handmade cards on Etsy, which will allow me to benefit financially from my favor-ite hobby, and within 6 weeks I will have an inventory of 30 hand made cards to sell.</p>	<p>My goal is to obtain a bachelors degree in community health within the next three years. I will improve my overall GPA by .3 points each semester during the next three years.</p>	<p>My goal is to make a lot of money by starting my own business.</p>
<p>I will write a 150-page book on social media by writing one chapter per month, 4-5 pages per week. The book will be completed in 10 months.</p>	<p>I will increase Twitter shares by an average of 20% per month over the next 2 years, by using a banner development tool to add a graphic to each social media post.</p>	<p>My goal is to become a person my family can count on.</p>
<p>I will increase revenue from my personal chef business by 25% each month by catering 2 parties per month.</p>	<p>To achieve a 95% positive customer feedback back rate by increasing our current feedback rate by 1% each month over the next 15 months.</p>	<p>I will win every tournament I enter this year, by working out every day this year.</p>
